## ABOUT INSTITUTE

Suresh Angadi Education Foundation (SAEF) was established in the year of 2008 under the leadership of Late Shri. Suresh Angadi ji. In 2009, Shri. Suresh Angadi ji built Angadi Institute of Technology & Management (AITM) on the pillars of Discipline, Dedication and Determination with an intention to provide education to the person at the last mile so that even the needy have access to quality education.

The Institute offers Undergraduate courses in Diploma, Bachelor of Engineering in Artificial Intelligence & Data Science , Civil Engineering, Mechanical Engineering, Computer Science & Engineering, Electronics & Communication Engineering & Electrical & Electronics Engineering . It also offers Post Graduate courses in MBA, MCA, Master of Technology in Civil and Mechanical Engineering. AITM is starting a new Undergraduate course in Robotics and Automation. AITM is also recognized as Research Centre in Physics, Chemistry, Mathematics, Civil and Mechanical Engg Departments approved by VTU, Belagavi.

## ABOUT SYMPOSIUM

AITM is organizing this symposium on “Artificial Intelligence and Robotics” to bring together eminent experts in the field of Artificial Intelligence and Robotics to discuss the innovations and developments that have happened and can happen in this area, to summarize the state-of-the-art technologies and advances in all aspects of AI, intelligent systems and robotics.

## OBJECTIVES

- Explore the opportunities and challenges the field of AI and Robotics has to offer and provide insights into advancements in technology.
- Realize the exciting prospects AI has been creating in various fields such as medicine, banking, and finance, retail, logistics, etc. and understand how this technology has been impacting the individuals working in the respective fields.
- Showcase the expertise industries are looking for globally, and exemplify the knowledge an individual should acquire to build exciting applications in the field of AI and Robotics

## INVITED SPEAKERS

The symposium will feature talks by eminent and distinguished speakers from academics and industries related to the field of Artificial Intelligence and Robotics.
