REGISTER

- After registering a verification code will be sent to the mobile number which is a 6-digit number.

- After entering the OTP, the student account gets activated.
This can be done also with Email-Verification where the activation account will be send to the concerned mail ID.
- We are directed to the Student Login Portal where we can log in with our phone number or E-mail ID

- After entering the password we are asked Student Security Question, this is important because if we forgot our password the security question will help us to recover the password.

- Please Note: Once the mobile number is added we cannot change it, and if we have to change the number, we have to contact the Admin.

- Apply for the scholarship application where we get the online application form with all the details.

- In the Scholarship Application we have to enter the students Aadhar number along with their parents Aadhar number.
- Below there is '**Not Applicable**' link where we have to attach death certificate of our expired parents as a proof.
- Moving on to **Students Bank Details**, we have to fill in the **Account Number** and please note that the **Account Number should be Unique** so that others should not use the same number.
- In the online application form Enter the details accordingly.
- In the Present Institution, Details select the District and the Taluk and the Institution which you are studying with the Pincode.
- Please Note: While applying it is important to have your Institution listed on the scholarship site. If not, Please contact your institution to add the institution name to the assigned portal.
- Select the Graduation level accordingly with the Course.
- Select the present class.

For Eg: If it is a Degree, the course should be Bachelor's in Arts or any other stream with the present semester.

The screenshot displays a web form for scholarship applications. It is divided into three main sections:

- Section 1: Caste Selection**
