EMPLOYERS FEEDBACK ANALYSIS & ACTION TAKEN REPORT (2021-2022)

**Feedback on the syllabus and its transaction at the
institution from the employers**

1. Employers Feedback Analysis Report on Curriculum.

1.1. Employers Feedback

Employers' feedback is obtained from 12 recruiting agencies with the help of structured questionnaire. Their feedback is sought on the following areas: Employee's acquaintance with technical/ teaching skills and knowledge, adequacy of necessary communication skills to meet the job requirements, ability to find immediate practical solutions for field problems, familiarity with latest technological devices, adjustment to ethos of the organization and maintaining cordial relationship with the co-workers. It was found from their feedback that 90% of the employers strongly agreed that the candidates from our institution who are employed in their organization have good technical and learning skills required for them. It was noted that 91% candidates from our institution are highly committed towards their work and have good adequacy of skill. It was noted that 25% and 60% of the respondents strongly agreed to the fact that the students are open to innovative ideas and learning new techniques. Majority of 25% employers strongly agreed and agreed to the point that 85% of students are proactive in nature and have the ability to relate theory to practice. 95% of them agreed that the candidates from our institution are capable of taking sound decisions and have good communication skills.

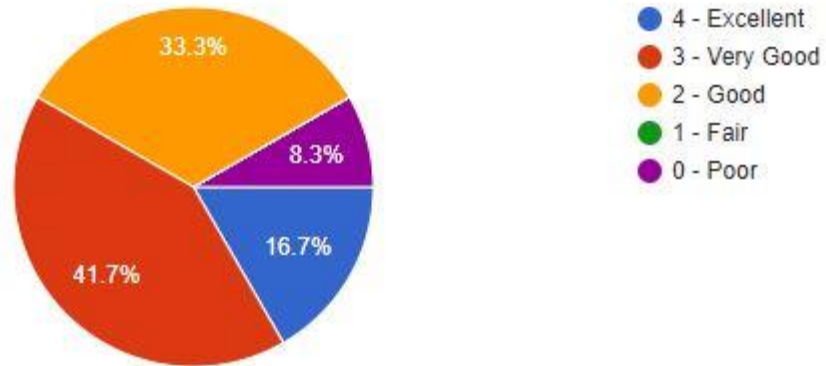

1.2. Feedback analysis report

- They highlighted the importance to improve upon the domain knowledge to meet the emerging societal needs.

12 responses

12. Overall rating

12 responses

Any other Suggestions:

6 responses

Tq

No

Improve particles rather than theory, make more visuals rather than imagination, improve skills according to the market requirements.

Good

Not satisfied with theoretical and practical and no technical skills and poor communication skill

Please provide industrial knowledge
how real work in the industry to upcoming students please focused on giving practical knowledge
