Head of the Institute	Message
 <p><b>Dr. Anand Deshpande</b> Principal &amp; Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p><b>Dr. Dhanashree Kulkarni</b> HOD</p>	<p>Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a “want to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.</p>

## Institute Vision and Misssion

### Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

### Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

## Department Vision and Mission

**Vision:**

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

**Mission:**

- M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.
- M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

### Inauguration of Computer Society of India (CSI) Student Branch Chapter at AITM

Department of Computer Science and Engineering (CSE), Angadi Institute of Technology and Management-AITM, Belagavi inaugurated Computer Society of India (CSI) student chapter at Angadi Institute of Technology and Management-AITM, Belagavi on 8th May, 2023 at 10 a.m.

Mr. Chandra Dasaka, Head- Academic and Industry Council of CSI was the Chief Guest of the function. Mr. Chandra Dasaka, the Chief Guest briefed the students about the Computer Society of India (CSI) student chapter and enlightened its importance. The activities conducted for the Students associated with the Society include lecture meetings, seminars, conferences, training programmes, programming contests and practical visits to installations.

Dr. Anand Deshpande, Principal and Director, AITM motivated students to participate in all CSI activities so that they get ready to face the upcoming challenging future and to become successful in their career.

### VENCER-2023, A Two-Days National Level Techno-Cultural

Department of Computer Science and Engineering (CSE), Angadi Institute of Technology & Management-AITM, Belagavi organized Various Technical and Non- Technical Events under a VENCER-2023, A Two-Days National Level Techno-Cultural Fest on 11th and 12th May 2023.

The objective of this fest is to promote participation from students of all Engineering Colleges, so that they can explore and enhance their technical skills, showcase their talent in cultural and technical events and boost their confidence, communication and interpersonal skills.

The fest will also serve as a melting pot for a confluence of ideas and cultures.

### “Two Days Hands-On Workshop on Cyber Security”

Department of Computer Science & Engineering, SAEF's, Angadi Institute of Technology and Management (AITM), Savagaon Road, Belagavi, Karnataka successfully organized a “Two Days Hands-On Workshop on Cyber Security” under the banner of Computer Society of India (CSI) from 13th to 14th June 2023.

The resource person Shri Gajendra Deshpande, Assistant Professor, Dept. of CSE, AITM.

Shri Gajendra Deshpande advised the students to stay up to date with the latest cyber security news and trends and make sure you are implementing adequate cyber security measures in your organization using suitable hardware and software. Avoid the risks of phishing attacks by adhering to ethical security behavior, understand the legal requirements, privacy policies, and auditing process of your cloud environment. Mr. Pradosh Hegde addressed the opportunities in cyber security as Cyber security is vital for career roles such as penetration tester, cyber security analyst, network analyst, cyber security auditor, cyber security architect, forensics investigator, and many more.
