Head of the Institute	Message
 <p>Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p>Prof. Chetan S. Patil HOD</p>	<p>Welcome to the Department of Artificial Intelligence and Data Science Engineering. In this department we create future engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Artificial Intelligence and Data Science provides an environment to students motivating them to adopt a “wish to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.</p>

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of

Department Vision and Mission

Vision:

To impart quality education with emphasis on Technology, Innovation and professional skills to meet global challenges in the field of Artificial Intelligence and Data Science.

Mission:

- M1: To Impart knowledge by incorporating benchmarked teaching and learning pedagogies in curriculum.
- M2: To develop a sense of societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

“AI & DS ASSOCIATION INAUGURATION AND FRESHERS WELCOME 2023”

Inaugural Function of “Association of Artificial Intelligence & Data Science Engineering Students- 2023 and Fresher’s Welcome” was organized by Artificial Intelligence and Data Science Department, Angadi Institute of Technology and Management-AITM, Belagavi on Friday, 28th April 2023. Mr. Naveed Mulla, Branch Manager, b+m Surface Systems India Pvt. Ltd., Belagavi was the Chief Guest of the function. Dr.SuryakumarKhanai, Director, MBA Department- AITM, Prof. V. V. Hosallimath, Event Coordinator along with all the staff presided over the function.

“VENCER - 2K23”

VENCER was organized on 11th and 12th may 2023. It is cultural fest which is conducted every year in even semester; the fest is mainly focusing on exploring the hidden talent in budding engineers. The “VENCER” is organized every year by inviting Engineering students across Karnataka. The whole process is see-through by the invited Judges from relevant organizations. The winners of all the events are awarded by cash prizes and certificates of merit.

“CLOUD INSIGHTS & CAREER GUIDANCE”

The Department of Artificial Intelligence and Data Science had taken an initiative to create awareness on Cloud Insights & Career opportunities in Cloud technology and also to know the various services available in Cloud and tools used in the Industry today and also having the skills of Computing it and guidance about same for being in industry in the their respective fields of career. The event was conducted in the auditorium of AITM, Belagavi on 23rd June from 11:00 am to 01:00 pm.
