Head of the Institute	Message
 <p data-bbox="235 535 479 598">Dr. Anand Deshpande Principal & Director, AITM</p>	<p data-bbox="586 170 1502 646">An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p data-bbox="235 1291 487 1365">Prof. M. V. Kanthi HOD</p>	<p data-bbox="586 806 1502 1213">The department of Civil Engineering was established in the year 2009. The department offers four years Bachelors Degree (B. E.) course in Civil Engineering and two years Post Graduate course (M. Tech.) in Waste Water Management, Health & Safety Engineering. The department is a recognised research centre under Visvesvaraya Technological University, Belagavi since 2017. The department has well qualified faculty, with good experience in academics, research and industry. To impart quality education the department has ICT enabled spacious class rooms and state of the art laboratory facilities. Department library holds a good number of books, references and study materials.</p> <p data-bbox="586 1255 1502 1472">It has been a continuous endeavour to provide a strong foundation in basic sciences and technical knowledge to students make students globally competent. Apart from giving the fundamental inputs to the aspiring students, they are also exposed to the recent developments in construction industry by means of industry-institute interaction.</p>

Institute Vision and Mission

Vision

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

AITM
